2.3: TEACHING –LEARNING PROCESS

2.3.1: Students centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences.

For enhancing learning experiences the faculty members adopt many measures, such as, lecture method, interactive, etc. Teaching-learning processes are made affective by the following practices:

i. Interactive methods

The faculty members make learning interactive with students by motivating students in participating in group-discussion, role-play, subject-quiz, discussion and questions and answers on current affairs etc.

ii. ICT Enabled Training

This includes Wi-Fi enabled classrooms with smart classrooms, language lab, etc. The institution has the essential equipment to support the faculty members and students.

iii. Experimental Learning

Experimental / Laboratory method is used to acquaint the students with the facts through direct experience individually. Students verify the facts and laws of the subject with the help of experiments.

iv. Other activities

The NSS, Swach Bharat Abhigyan Programmes is organized to help the students learn about the importance of cleanliness. The student actively took part in the programme.
