6.1: INSTITUTIONAL VISION AND LEADERSHIP

6.1.2: The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution defines the decentralization in working through delegation of authority. The delegation of authority can be organized in the form of pyramid. Top-level managers which includes the chairman, administrative council, principal are responsible for controlling and overseeing the entire organization. The principal involves the faculty members in various activities related to the development of the institution. The principal heads the academic and administrative activities of the institution. Academic co-ordinator handles the academic and examination co-ordinator looks after the examination matters in the college. The internal quality assurance system (IQAS) is responsible to promote and enhance the quality culture in the college. Purchasing committee looks after all the purchasing of the college and their utilization. NSS committee is responsible for various social service schemes taken up by the students.
